

TIME REDESIGNED ADMINISTRATOR ACADEMY

Helping School Administrators Check Everything Off Their Professional "To-Do" list!

DO YOU
KNOW
SOMEONE
WHO:

- 1 Has difficulty finding enough time to accomplish all they need to do in a work week?
- 2 Finds themselves consistently being pulled away from planned tasks to put out "fires"?
- 3 Gets bombarded with unscheduled interruptions?

If You Answered YES, Schedule An Academy In Your Area!

Our Founder, Dr. Jobi Lawrence, will present the 4 simple steps to redesigning professional time and share strategies and resources!

WHAT YOUR COLLEAGUES ARE SAYING...

"I found great insight on what I was spending time doing each day and realized the shifts I needed to make to be a more effective leader".

- Ellen Pickhinke,
Hampton-Dumont Community Schools, IA

"Time ReDesigned employs a perfect balance of accountability and support to keep administrators moving forward towards improved student outcomes and more efficiency in their work day. I purposefully was able to

move toward my goals".

- Elaine Lacey, Jasper ISD, TX

INCLUDED IN THE REGISTRATION FEE:

- 90 day software license
- 1 full day of professional learning
- Resources to improve efficiency and effectiveness
- Strategies to reallocate professional time
- Strategies to improve work life balance
